Together We Learn, Achieve and Succeed

# *The School Academy*

The function of education is to teach everyone to think intensively and to think critically. Intelligence plus character-that is the goal of true education.

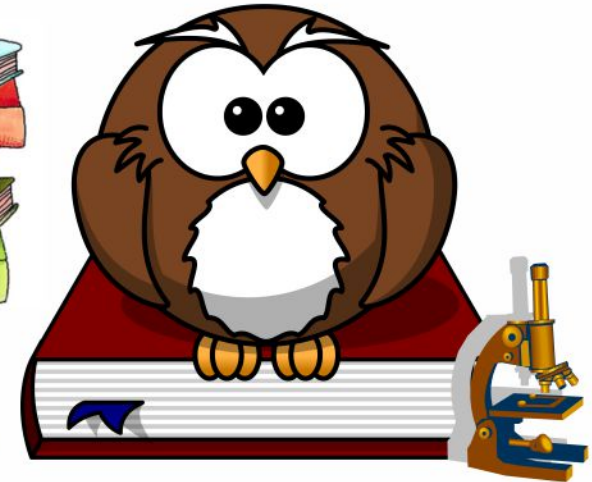

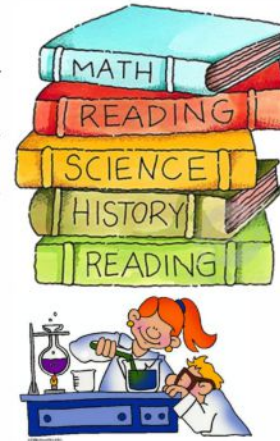

# *Our Mission*

The mission of DPS Yamuna Nagar, is to provide a dynamic educational experience to our children, based on CBSE curriculum and practices, delivered by highly certified caring teachers who have a passion for students' success, continuous learning, collaborative and critical thinking and respectful relationships with students. Our school promotes a safe, respectful learning environment whereby the values of self discipline, responsibility, respect, compassion, co-operation, problem solving, creative expression and global citizenship empower students to develop holistically, academically, socially, emotionally and physically.

# Subjects Offered

We follow the course material/syllabi as laid down by CBSE – New Delhi, at the Secondary and Senior Secondary Levels. Therefore, we orient students from the Primary Level towards that end.

The Great Walt Disney when asked about his success story, remarked...

“We don't look backwards for very long... We keep moving forward, opening up new doors and doing new things because we're curious...and curiosity keeps leading us down new paths.”

And that's what we really do at DPS.....from the very start...  
make the little ones curious and happy learners .

# *Our Liliputians... a happy and busy lot...*

# *School Facilities...*

Besides having the convenience of a fully air-conditioned academic block, it has fully equipped, separate and modern laboratories for Physics, Chemistry and Biology. The Computer Lab is also equipped with the latest computer set up where students have access to the internet under the watchful eyes of the teacher and are encouraged to delve into all kinds of information that is available.

The school library is well stocked with books and magazines of all kinds. There is also a projection screen by which students are shown documentary and knowledge centric movies during library periods. The school has world class sports facilities, and students are trained by expert coaches for each sport. The school prides itself with a 7 pitch cricket ground, which is rated as good as the pitches seen at the Mohali stadium. Students interested in furthering their cricketing skills join our Cricket Academy. The school has a modern air pistol and rifle shooting range. Students have been up to National Level Competitions and have given an excellent account of themselves in this sport. The school also has a very modern gymnasium, a swimming pool with coaches for both boys and girls. There is a roller skating rink too for training and for roller skating hockey. The lawn tennis courts are very busy venues during games time as the students show a keen interest in this sport. The school has a vast sports field for football and athletics where coaches train students in the different athletic events. Students are also trained in Martial Arts, Baseball, Soft Ball, Badminton, Volleyball, Boxing and Yoga. Students take part in various local, District, State, National as well as International level tournaments in almost every sporting event and bring laurels and commendations.

*"All growth depends upon activity. There is no development physically or intellectually without effort, and effort means hard work."*

# *The School Residency*

We offer excellent boarding arrangements to suit home and child. The boarding house, which we call "The Residency", is a home for our students who come from far and wide, and for those who seek a good standard of residential up-bringing in the best possible environment. Boys and girls reside in separate hostel blocks, but partake of meals in the same Dining Hall. The Residency consists of air-conditioned rooms, Three students sharing one room. Each inmate is provided with a wardrobe, a writing desk and a bed. An experienced warden takes care of the boys and a matron for the girls. A Medical officer and Nurse are on duty 24x7. The warden and matron are well-conversant in the art of caring and nurturing our children with good manners and etiquettes so as to help them procure good personality traits. Children are provided with nutritious and high quality standard of meals both vegetarian and non-vegetarian.
